More than 5,000 Kindle Readers have downloaded promotional copies of D.P. Benjamin's debut novel ***The Road to Lavender***. The popular cozy mystery received a 2020 Southwest Book Design Production Award from the New Mexico Book Association and placed third in the 2019 Rocky Mountain Fiction Writers' Colorado Gold Writing Contest. Available in paperback and e-book formats at [this link](#).

*The Adventures of Teddy and Emmett*

# The Missing Green Crayon

**Written by Michelle Camp  
Illustrated by Barbara Torke**

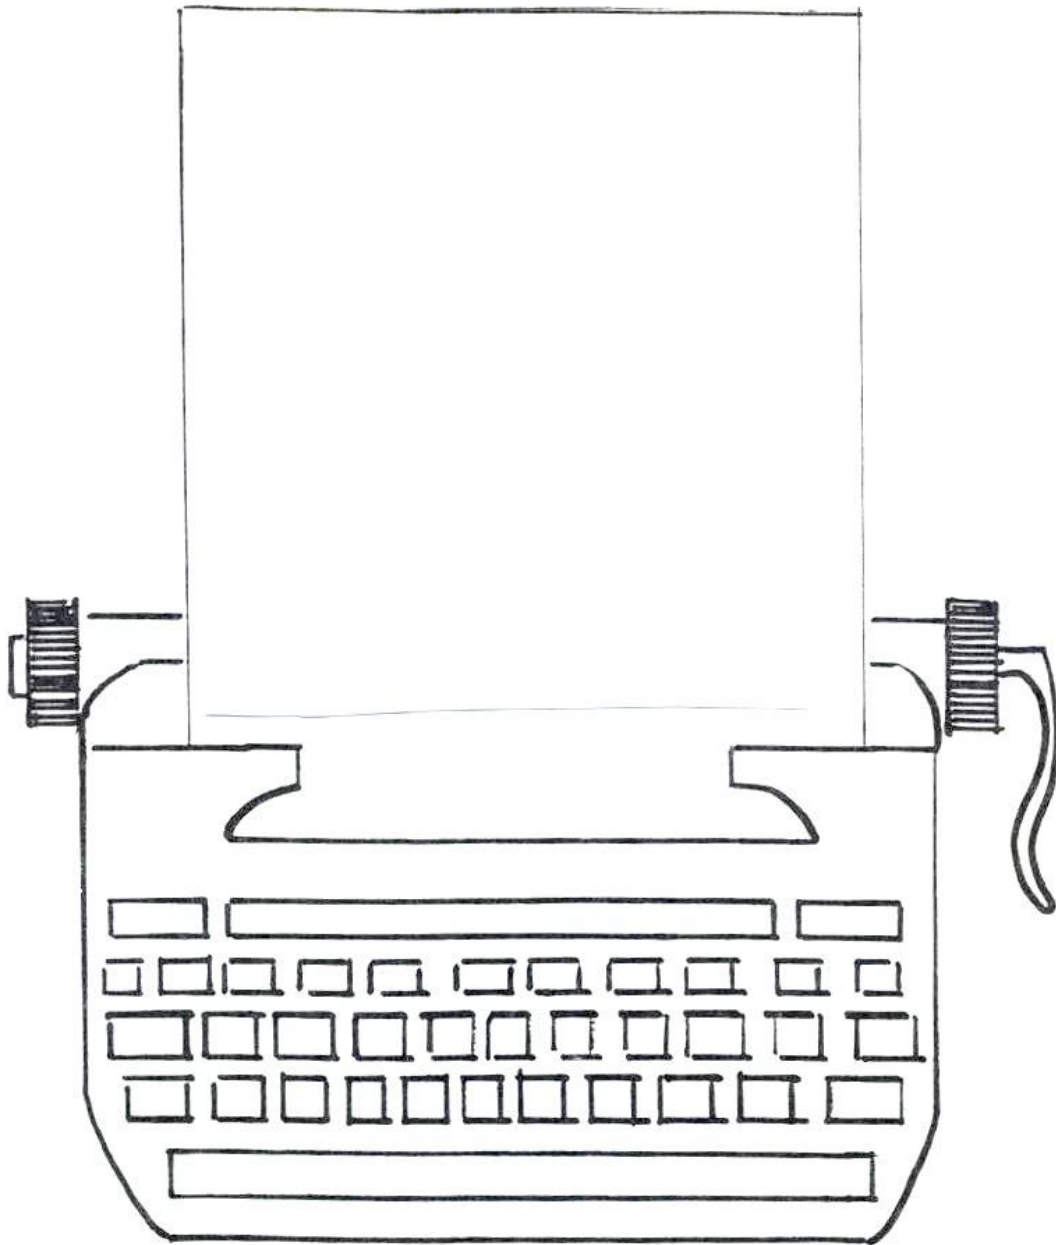

This delightful children's book by a Colorado educator is warming the hearts of young folks and adults alike. To order a copy, visit the Elevation Press Bookstore at this [link](#)

Sixty episodes and counting! Our serialized novel "Mountain: A Cautionary Tale" has been running weekly in a Western Slope newspaper for more than a year! It's a fictionalized alternative history covering 1936-1941. Set along the Kansas-Colorado border, it tells the story of a misguided man, his star-crossed family, and an enormous public works project, gone terribly wrong.

To catch up on episodes, [visit this link](#)
